

BARC ELECTRIC COOPERATIVE

COMMERCIAL AND SMALL POWER SERVICE SCHEDULE B-U

1. APPLICABILITY

Applicable to commercial consumers, small industrial consumers, governmental entities, public use facilities, non-profit groups, and multiphase service for loads under 50 kW, and for energy which is to be resold.

Schedule B shall apply to any connection not qualifying for service under Schedule A or Schedule LP. Service provided under this schedule shall be subject to the established rules and regulations of the Cooperative.

Consumers having their homes on the same premises with their business establishments may include service to both on the same meter, in which case all service will be billed under this schedule, using the rates set out below. A consumer may make provision for two meters, in which case usage for residential purposes will be billed under the appropriate residential rate and usage for business purposes will be billed under this schedule and rate.
